Re: D.T.E. 01-34 Investigation by the Department of Telecommunications and Energy on its own motion pursuant to G.L.c. 159, §§ 12 and 16, into Verizon New England d/b/a Verizon Massachusetts' provision of Special Access Services

Dear Secretary Cottrell:

Enclosed herewith for filing in the above-referenced proceeding, please find nine copies of the Initial Brief of XO Massachusetts, Inc. Also, please note XO's late-filed support for AT&T motion for admission of DTE-ATT-1-11 into the record. It appears that there is no objection to such admission and XO believes that the information is very relevant to the question of whether Verizon dominates the special access services market.

Very truly yours,

Eric J. Krathwohl
